## Hammonds Appointed to Vice President of Corporate Development at Quanex Corporation

HOUSTON, March 4, 2005 (PRIMEZONE) -- Quanex Corporation (NYSE:NX), an industry-leading manufacturer of value-added engineered materials and components for the Vehicular Products and Building Products markets, announced today that Paul A. Hammonds, 48, has been promoted to Vice President - Corporate Development and appointed an officer of the Company.

"Paul has done an excellent job in spearheading our business development efforts since he joined the Company in March 2003," said Raymond A. Jean, Quanex Chairman and Chief Executive Officer. "His varied industrial experience and outstanding analytical skills have been most helpful in successfully completing Quanex's acquisitions and divestitures over the last two years. We look forward to his continued contributions towards Quanex's future growth."

Hammonds is a graduate of the University of Michigan, where he received a Master's in Business Administration and Michigan State University with a Bachelor of Science Degree in Civil Engineering. Prior to joining Quanex, Hammonds was Director, Catalog Operations and Supplier Integration for ICG Commerce Inc., a provider of B2B electronic procurement services. For 10 years prior to that he held positions of increasing responsibility with W.W. Grainger, Inc., including Product Category Director, Director of Product Process Development and Division Manager. Paul was also Director of Corporate Development for Pneumo-Abex Corporation, an industrial manufacturer serving the automotive, railroad and aerospace markets.

Quanex is listed on the New York Stock Exchange under the symbol NX. For further information, visit the Company's website at [www.quanex.com](http://www.quanex.com).
