Explanation of Responses:

- 1. All units credited under the Deferred Compensation Plan are 100% vested at all times; provided, however, that if a participant receives a benefit from the Deferred Compensation Plan for any reason other than death, disability or retirement within three years after a deferral is credited to a participant's account, any matching awards made by the Company with respect to such deferral will be forfeited. Distributions under the Deferred Compensation Plan are made beginning on a specified date selected bythe participant or upon a participant's death, disability, or termination of employment.
- 2. Date exerciseable is 10/24/2002. Due to limitations in the Transcentive software, a date cannot be entered in this field at this time.
- 3. The option becomes exercisable in one third increments annually beginning one year from date of grant.
