

## ScreenItAgain.com Expands Its Holiday-Themed Window Screen Offering for Easy, Hassle-Free Decorating

November 8, 2011 11:02 AM ET

### New holiday designs give consumers more options for simple seasonal decor

HOUSTON, Nov. 8, 2011 /PRNewswire via COMTEX/ -- (NYSE: NX) - 'Tis the season for holiday decorating as homeowners across the country begin stringing lights, hanging wreaths and decking the halls in festive celebration. For holiday enthusiasts looking for a new way to add flair to a home or business, ScreenItAgain.com, an online source for custom replacement screens and grilles, expands its innovative holiday window screen product offering with four new designs. Consumers can choose from a classic holiday wreath, Santa Claus, snowman, or Christmas tree image printed directly onto the screen for an easy, hassle-free decorating option.

The [ScreenItAgain.com holiday screens](#) are available in sizes ranging from 18" x 20" to 46" x 70" in height, with the image printed proportionately to each window's exact dimensions. Additionally, because the image is only visible on the exterior, it doesn't block the view from the inside looking out. Starting under \$50, the screens are an affordable way to decorate windows for the holidays. Volume discounts are applied when purchasing multiple screens. Each screen comes with a protective envelope for easy storage during the off-season. Orders typically ship in three to five business days.

"Decorating for the holiday season doesn't have to be difficult or time consuming," said Andrea North, product marketing manager for Quanex Building Products, parent company of ScreenItAgain.com. "Our new holiday screens offer a fun, creative alternative that offers homeowners a durable, unique look that can be used and enjoyed for years to come."

Consumers can visit [ScreenItAgain.com](#) to find easy step-by-step instructions for measuring screen dimensions, choosing the holiday image and helpful installation tips.

ScreenItAgain.com also offers replacement window and door screens and grilles in a wide range of profiles, colors and styles. The easy-to-use online configurator helps consumers accurately [replace aging or damaged window screens and grilles](#). For homeowners looking to improve the energy efficiency of their home, ScreenItAgain.com provides [solar window screen](#) options that can block up to 90 percent of the sun's heat.
