

## **Quanex Building Products Corporation Presents at Davenport & Company Metals and Mining Conference**

October 27, 2009 11:33 AM ET

HOUSTON, Oct. 27, 2009 (GLOBE NEWSWIRE) -- Quanex Building Products Corporation (NYSE:NX) will participate in the Davenport & Company Metals and Mining Conference on Thursday, November 5, 2009 in New York City. Tom Brackmann, president of Nichols Aluminum, Quanex's aluminum sheet business, and Jeff Galow, vice president of investor relations for Quanex, will meet with analysts at the conference.

Nichols Aluminum produces flat rolled aluminum sheet sold primarily to manufacturers in the building and construction industry for use in residential housing markets. Quanex Building Products Corporation is an industry leading manufacturer of value-added engineered materials and components for the building products markets.

For more information visit the Quanex website at [www.quanex.com](http://www.quanex.com) or the Nichols Aluminum website at [www.nicholsal.com](http://www.nicholsal.com).
